

Dear LLA Members –

After an unprecedented 14 year hiatus, the LLA has decided to have a Composite Photo done of the Bar. We have contracted with Eric Stashak Photography, and the sitting dates have been scheduled for the following days:

Wednesday, March 17, 2010
Wednesday, March 24, 2010
Wednesday, March 31, 2010

between the hours of 8:00 am and 6:00 pm

Sittings will be scheduled in 10 minute intervals, and will take no longer than 5 to 10 minutes each.

Eric Stashak Photography will provide the option for each attorney to purchase his or her professional portrait on CD with full reproduction rights for the extremely reasonable price of \$40.00. The price has been discounted from the regular price of \$75.00. You are then able to take that CD and have your photo reproduced anywhere and use it for whatever purpose you see fit. Should you wish to exercise this option, you must bring payment with you at the time of your sitting.

To schedule your sitting, please contact:

Please make yourself available for the photo shoot. Without your participation, we will not have a successful composite. An updated composite photo will be quite an asset to our Bar Association, and something to memorialize where we stand in 2010.

Thanks for your cooperation.
