

**BAR HISTORY COMMITTEE OF THE LYCOMING LAW ASSOCIATION**

A meeting of the Bar History Committee was held on Monday, August 4, 2003, at the Ross Club, Williamsport, with nine members of the association present.

A definitive history of the Lycoming County Bar from 1795 to 1960, was completed and published by Marshall Anspach, Esquire. An updated volume, containing Anspach's book, was completed by our committee, covering the years 1960-1989. All members of the association should have received, a copy of the updated 1990 volume, with copies of the Association members pictures through the years.

It was unanimously agreed that updated biographies, identification, and sketches should be compiled, written, and published. A listing of the deceased members from January 1, 1989 to the present is being compiled, and attached to this report.

It is anticipated that a meeting of the Bar History Committee will be held in early 2004, and all members of the association are invited to indicate their interest in becoming a member of the committee. Additionally, it is requested that everyone review the attached list of deceased members to fill in dates of death, make corrections, and volunteer to prepare biographies. There will also be questionnaires/survey submitted to each lawyer of the Lycoming County Bar for the anticipated updated volume.

Everyone's input, interest, and involvement is encouraged as we embark upon this project and update.
