

REPORT OF THE SOCIAL COMMITTEE  
LYCOMING LAW ASSOCIATION  
2004

This year's social events included a wonderfully attended reception at the Old Corner honoring the new Executive Director at the conclusion of Law Day in April. In July, several members, their families and friends attended a Crosscutters' game, where the weather was beautiful, the food was terrific, and the company was great. The game was exciting (except that the home team lost 4-2, and left the bases loaded in the 9th). At the Annual Picnic later in July, we saw a repeat of the Humphrey/Waffenschmidt team as Horseshoe Champions. Although seven teams of accomplished horseshoe athletes practiced for 12 months to challenge the defending champions, Humphrey/Waffenschmidt again took the prize. And this year, we instituted the first annual Lycoming Law Association golf tournament, which was held the morning of the picnic. A total of four (4) teams competed in the scramble format tournament, which ultimately was won by the Rieders, Travis foursome. The picnic was terrific as usual, with a wonderful meal being presented by Gray's Run, and lots of camaraderie to go around.

Respectfully submitted,

Tom Waffenschmidt  
Chair
