

# MEMORANDUM

---

**To:** LLA Membership  
**From:** Gary Weber  
**Date:** December 12, 2005  
**Subject:** Annual Report on Licolaw Website

The Licolaw.org Website continued to grow and improve in 2005. Usage continues to increase, obviously beyond the membership. In November 2005, over 46,678 hits were recorded. The most heavily accessed pages are the court opinions, followed by the member directory, rules and news pages.

We are looking at securing a different company to host the site because of continuing service and reliability issues with PaOnline. Although users would not have noticed any functionality problems with the site, site management and modification was, at times, difficult. We are hoping to move the site in early 2006. We are looking to provide additional features through this move.

#### Improvements and statistics for 2005:

- In conjunction with the LLA's new focus on CLE offerings, an "Upcoming CLE" section has been added to the main page and a separate CLE page allows members to plan for future CLE events.
- The *Historical Sketches* volume has been fully scanned and is posted on line. Some sketches have been added - the judges have all been identified, and biographical information included.
- The site continues to feature news and articles about the positive impact our members are having in the community. These articles are indexed and maintained in the database. PLEASE SEND INFORMATION ABOUT YOUR INVOLVEMENT IN THE COMMUNITY TO ME FOR INCLUSION.
- 210 new court opinions have been posted this year. This brings the total number of opinions available on the site to 1763.
- The site continues to offer up-to-date announcements, local rule information, attorney directory and event scheduling notification. Announcements and orders from the Court, including the court calendar, are posted.
