

MEMORANDUM

TO: LYCOMING LAW ASSOCIATION

FROM: John P. Pietrovito, Esquire
Chairperson

DATE: January 14, 2008

RE: Education Committee
Annual Report

The Education Committee continued its efforts to provide the members of the Lycoming Law Association the opportunity to obtain their required Continuing Legal Education credits at an affordable price without the necessity of traveling outside of Lycoming County. The LLA's Executive Director, Jessica A. Engel, solicited volunteers from the LLA to present Lunch and Learn seminars throughout the year. This program continues to grow and become more popular among the members of the LLA. In addition, the Committee reviewed the lists of videotaped seminars sponsored by the Pennsylvania Bar Institute and selected the topics which the Committee thought would be of interest to members of the LLA. There were several seminars conducted by "outside providers" that were registered for CLE credits through the LLA. Finally, the Lycoming Paralegal Association organized and presented a seminar which was registered for CLE credits through the LLA.

Respectfully submitted,

John P. Pietrovito
Chairperson
