

MEMORANDUM

RE: Annual Report of the Education Committee

The Education Committee continued its efforts to provide the members of the Lycoming Law Association with the opportunity to obtain most, if not all, of their required CLE credits and avoid traveling outside of Lycoming County.

First, the LLA periodically receives a list of videotaped seminars sponsored by the Pennsylvania Bar Institute. The lists were reviewed and topics thought to be of interest to members of the LLA were selected for presentation at either the Courthouse or the new LLA office.

Second, the Lunch and Learn seminars continued throughout 2008 through the efforts of our Executive Director, Jessica Engel, and the willingness of members of the LLA to present topics of interest to the membership.

Finally, the Lycoming Law Association will be able to provide webcasts of seminars in 2009 and thereafter at the new LLA office. This significant development was made possible through the initiative and efforts of our Executive Director, Jessica Engel, who applied to the Pennsylvania Bar Association for a grant which enabled the LLA to purchase the equipment necessary to provide the webcasts locally.
