

LAW DAY 2008

ANNUAL REPORT

I am happy to report that Law Day 2008 was another great success for the Law Association. All five of our County Judges, as well as Judge Muir and Judge McClure attended. It is the first time I recall that we did not have enough room on the Bench for all of the Judges to be seated. Judge Brown graciously sat in the Jury Box. State Representative Garth Everett was the Guest of Honor.

There were many positive compliments from parents and others in attendance regarding the Law Day program. All of the winning essays and pictures can be viewed on our website from Law Day 2008 and prior Law Days. The program also aired on Comcast on two occasions in early May, 2008.

There was a pizza and cake party for the winners and their families hosted by the Lycoming County Paralegal Association. There was also a lovely reception held at the Law Association's new office. A huge thank you to Jessica for all of her work getting the reception organized.

Preparation is under way for Law Day 2009 which will be held on Friday, May 1, 2009. The theme for Law Day 2009 is "A Legacy of Liberty-Celebrating Lincoln". The committee is in the process of finalizing the essay topics so that submissions can be made to the Lycoming County schools for the essay and artwork competition. If anyone is interested in becoming party of the Law Day Committee, please contact me.

Respectfully submitted,

Joy Reynolds McCoy, Esquire
