Re: Social Committee Report

Dear Jessica:

Every year the social activities of the Lycoming Law Association start off with the annual banquet. As has been the case for the past several years, the annual banquet was held upstairs in the banquet facilities of 33 East on January 14, 2008. After the customary cocktail hour and social, those in attendance enjoyed several courses of culinary delights. The highlight of the evening was the recognition given to 28 living former presidents of the Lycoming Law Association. Former President Judge gave the keynote speech and Joseph Rider received the 2007 Equal Access to Justice Award.

The next social event of the year the Law Association celebrates is Law Day which takes place every year on May 1. After the annual winners of the essay and artwork contests were awarded a reception was held in the new Lycoming Law Association offices and conference facilities. If you have not been there be sure to stop by and visit. July's annual Grey's Run picnic was preceded for the fifth year in a row now by the annual golf tournament in which members of the Association join the Kiwanis for a tournament at the White Deer golf complex. This year's tournament winners were the team from Mc Nerney Page. The afternoon weather was not as sunny and pleasant as it usually is and the off and on rain prevented the horseshoe tournament from being held. However, those in attendance enjoyed the food, the atmosphere and the collegiality.

The Third Annual Oktoberfest for the benefit of the Lycoming Law Foundation took place on October 4, 2008 at the Herdic House. Traditional style German appetizers and entrées were served which were greatly enjoyed by all. More than forty LLA members attended and the auction netted over \$1,100.00. Over the past three years, the Young Lawyers Division of the Law Association has done a wonderful job in organizing and throwing this event.

As always, if anybody else has any suggestions for social activities please feel free to contact me.

Very truly yours,
