RE: Annual Report of the Education Committee

The Education Committee continued its efforts to provide the members of the Lycoming Law Association with the opportunity to obtain most, if not all, of their required CLE credits and avoid traveling outside of Lycoming County.

First, the LLA periodically receives a list of videotaped seminars sponsored by the Pennsylvania Bar Institute. The lists were reviewed and topics thought to be of interest to members of the LLA were selected for presentation at either the Courthouse or the LLA office.

Second, the Eat and Earn (formerly "Lunch and Learn") seminars continued throughout 2009 through the efforts of our Executive Director, Jessica Engel, and the willingness of members of the LLA to present topics of interest to the membership. Members of the LLA are invited and encouraged to contact Jessica Engel or John Pietrovito if they wish to present a topic for an Eat and Earn Seminar or if they have a suggestion for a topic and/or person(s) to present a topic.

Finally, the Lycoming Law Association provided webcasts of seminars in 2009 at the LLA office. This significant development was made possible through the initiative and efforts of our Executive Director, Jessica Engel, who applied to the Pennsylvania Bar Association for a grant which enabled the LLA to purchase the equipment necessary to provide the webcasts locally.
