RE: Annual Report of Fee Dispute Committee

Dear Jessica:

Over the last year we have had four cases submitted to the Fee Dispute Committee. In one case after consultation with the claimant and the attorney, the attorney proceeded to apparently satisfactorily handle the matter.

In one case, the attorney refused to participate in the fee dispute proceedings and I sent a copy of that letter along with our standard Law Association letter to the claimant.

In a third matter, the attorney dealt directly with the claimant and ostensibly remedied the problem.

In the fourth matter, the attorney failed to acknowledge that the claimant had a legitimate point and I sent the claimant the standard Law Association letter as to his/her options.

Hopefully this will suffice.

Cordially,

Robert B. Elion, Esquire
