

## **BAR HISTORY COMMITTEE OF THE LYCOMING LAW ASSOCIATION, 2012**

The LLA and this Committee continue to update biographies, identification, and sketches maintained and coordinated through Gary Weber, Esquire, Web Master. All members of the Association are encouraged to continue to review their own biographies and provide updates, and submit anecdotal information for our deceased members.

During 2012, there were no memorial services for deceased members of the Lycoming Bar Association. Historically, the President Judge coordinates and appoints members of the Association to serve when a death occurs and a service is scheduled.

Interest continues for the Law Association to provide input and substance to the Community Mural project developed by Michael Pilato. Raising funds, sharing ideas and nominations and a process for identifying locations, time-line, and implementation is essential. Individual discussions and consideration should be made to update a "hard-bound" copy of the history of our local Bar.

As documented in the Pennsylvania Bar Association Charter, Article III, a primary Purpose is, "to perpetuate the history of the profession and the memory of its members". The LLA Bar History Committee strives to achieve and foster this purpose with everyone's input, interest and involvement, which is encouraged, as we engage in the practice of law in Lycoming County.
