

MEMORANDUM

TO: Lycoming Law Association
FROM: Michael H. Collins, Esquire
DATE: January 3, 2014
SUBJECT: Fee Dispute Committee Report 2013

A fee dispute was forwarded to my office in August of 2013. After contacting the attorney and reviewing the documentation received and based on the complexity of the charges and the reasonable hourly rate charged by the attorney, the Complainant was contacted and informed that there was nothing further that the Fee Dispute Committee could do at that time. The attorney was of the opinion that he provided the work he was contracted for and was not inclined to join in the mediation process.

I was in receipt of another fee dispute on December 16, 2013. I am in the process of securing information from the attorney relative to this dispute and upon receipt will inform you on the status.
