Based upon the Committee's December 12, 2012, recommendation, the Lycoming Law Association Foundation Board met in January 2013 and granted three thousand dollars (\$3,000.00) to West Branch School for the school trip to Washington, D.C. in March 2013. Students from grades 3-6, teachers and chaperones visited the House and Senate to view the legislative process; the Supreme Court; Pennsylvania Senators' offices; Library of Congress; National Archives and the White House.

Three hundred dollars (\$300.00) was given to the Changing LIVES Through Literature (CLTL) run by the Criminal Court. The money was used to purchase books for the participants who show financial need.

The Community Activities and Outreach Committee met on November 6, 2013 in person and subsequently via email to consider a grant request. The Committee has requested additional information from the applicant and will revisit that application in 2014.
