¹ As you may recall from prior correspondence a change had to be made concerning the progression of Robert Cronin into the position of President for 2015. Mr. Cronin previously advised us that he has been called into active duty (basic training) in the reserves. As such he will be unavailable to serve from January 6, 2015 through and including March 23, 2015. Next in line for succession is Tammy Weber and the Nominating Committee has therefore decided to nominate her for the office of President in 2015. Although the Nominating Committee does not have the power, pursuant to the By-Laws, to nominate Bob Cronin to be President for 2016 it is the recommendation of the Committee that membership approve a resolution for Mr. Cronin to be put back in the line of succession immediately after Ms. Weber. A motion to that effect will be presented at the annual meeting which will have to be voted on and approved by membership.
