

Elder Law Committee

2014 Annual Report

- The Elder Law Committee was not very active in 2014. There were no requests for distribution of funds made this year.
- The Elder Law Committee plans to meet during the first quarter of 2015 and the following topics will be discussed:
 - Guardianships – how they factor into long-term care planning, and the attendant responsibilities in addition to simply allowing for a transfer of assets.
 - The committee members will also review recent and proposed changes in the law that may affect long-term care planning, including the change to the POA law.
 - The committee will discuss ideas for a committee sponsored service project in 2015.

Respectfully Submitted,

Jennifer E. Linn & Eric Ladley
