

2015 Committee Report: Public Relations

Angela C. Lovecchio-Chair

Outside the Courtroom – Lawyers in Our Community

Efforts were made to profile attorneys who are sometimes better known for their work outside of the profession. After an interview with a local attorney, a piece was written and provided to the Sun Gazette. Unfortunately, the Sun refused to run the story. However, it was published on the LLA website. As a result of the Sun's lack of support, no further efforts were conducted.

Wills for Heroes – October 2015

In addition to having the Sun Gazette cover our first Wills for Heroes event, the LLA funded the publication of a thank you and to acknowledge the attorneys who volunteered and the event sponsors.

Facebook –

This year the LLA launched a Facebook page. In addition to news and photos, the Facebook page makes posts about upcoming CLE offerings.

Press Releases –

The Sun Gazette published press releases for LLA and the LLA Foundation on the following events: New Attorney Admission Ceremony; YLD Toy Drive; \$7500 Grant to the Historical Society; Annual Dinner Honoring Veterans; Donation to Sun Light House; Law Day; and \$2,750 Grant to the Domestic Violence Fatality Review Team.
