RE: Annual Report of the Education Committee for 2016

The Education Committee continued its efforts to provide the members of the Lycoming Law Association with the opportunity to obtain most, if not all, of their required CLE credits and avoid traveling outside of Lycoming County.

First, the LLA periodically receives a list of videotaped seminars sponsored by the Pennsylvania Bar Institute. The lists were reviewed and topics thought to be of interest to members of the LLA were selected for presentation at the LLA office.

Second, the Eat and Earn (formerly "Lunch and Learn") seminars continued throughout 2016 through the efforts of our Executive Director, Michele Frey, and the willingness of members of the LLA to present topics of interest to the membership. Members of the LLA are invited and encouraged to contact Michele Frey or John Pietrovito if they wish to present a topic for an Eat and Earn Seminar or if they have a suggestion for a topic and/or person(s) to present a topic.

Third, the Lycoming Law Association continued its practice of providing webcasts of seminars in 2106 at the LLA office.

Finally, the Education Committee was asked by the Executive Committee to make recommendations regarding (1) increasing the Eat & Earn Seminars to two (2) seminars

each month and (2) replaying the videotaping of previous Eat & Earn Seminars. The Committee recommended that there be a “trial” during 2017 of presenting two (2) Eat & Earn Seminars per month. In addition, the Committee recommended that there be a video replay of previous Eat & Earn Seminars in each of the three (3) CLE compliance months, i.e., April, August and December.
