

## **Elder, Estate, and Probate Law Committee**

To: Lycoming Law Association

From: Elizabeth A. White, Chair

Date: December 20, 2017

Re: 2017 Annual Report for the Elder, Estate, and Probate Law Committee

The Committee held regular meetings this year on April 11, 2017, July 11, 2017, and October 10, 2017. Changes and proposed changes to the laws impacting elder, estate, and probate were discussed at meetings, including Orphan's Court Rule changes.

The Elder Law Committee voted to add Estate and Probate matters to the subject matter of the group to broaden the scope of discussion and revised the name accordingly

The Committee made further revisions to the Revocable Living Trust Seminar Consumer Warning and posted this on Facebook. The Committee is exploring options for paid advertisements for the Revocable Living Trust Seminar Consumer Warning when we are aware that the companies are giving presentations locally

The Committee compiled a list of additional LLA members who indicate that they practice in the area of elder, estate, and probate law to be included on e-mails about meetings in 2018. We are looking to increase the attendance at quarterly meetings.

We are exploring options to collaborate on other projects related to elder, estate, and probate law in the legal community.

The Committee did not distribute any funds in 2017.

Respectfully Submitted,

Elizabeth A. White, Chair
