SUBJECT: Family Law Committee

The Lycoming Law Committee continues to meet every other month at noon in Courtroom #5 of the Lycoming County Courthouse. The meetings are informal in nature and are designed to provide the opportunity to discuss any relevant matters to the practice of Family Law in Lycoming County. This past year the meetings provided the opportunity to discuss the recent statutory law changes as well as rule changes. Most recently, a considerable amount of time was devoted to the changes required pursuant to the new public access policy. The committee provides a nice forum to not only receive information on these types of changes in the law, but also permits an open discussion about current practice and procedure. The meetings are well attended and appear to be enjoyed by the participants.

Respectfully submitted,
