

MEMORANDUM

To: LLA Membership

From: Gary Weber

Date: December 12, 2021

Subject: Annual Report of the LLA Technology Committee - Lycolaw Website

The Lycolaw.org website worked as expected in 2021. Articles and events are much reduced due to the decreased activity of the Law Association in 2021. There have been few CLE events to advertise and few gatherings of the members to report on.

To date in 2021, 219 new Lycoming County Court opinions were posted on the site. Thirty five articles concerning the activities of the Association and its members were posted.

Moving forward, we intend to solicit some improvements and other changes in the site in 2022. The Executive Committee has voted to limit Lycoming Reporters to members or subscribers, so the site will be revised to limit access to member only data. There are several annoying quirks with the site that will be addressed in the requested fixes, and some bugs need to be corrected.
