Re: 2022 Annual Report for the Estate, Probate, and Elder Law Committee

The Committee held one in-person meeting on October 27, 2022. In attendance with committee members were Judge Linhardt, Register and Recorder, David Huffman, Deb Petrovito, and Michele Frey.

Discussion was held regarding Guardianship practice and review of guardianship reports. Orphans' Court filing questions were presented to the Register of Wills.

The Committee has struggled with attendance for many years and is determining if combining meetings with another committee(s) may be appropriate.
