

# MEMORANDUM

**To:** LLA Membership

**From:** Gary Weber

**Date:** December 19, 2022

**Subject:** Annual Report of the LLA Technology Committee - Lycolaw Website

The website continues to offer multiple services to the Lycoming County bar. This includes publication of opinions and reporting of news, events, and announcements. Since last year's report, 180 opinions have been reported on the site. Thirty-seven articles concerning the activities of the Association and its members were posted.

In the past year, the site has undergone several subtle, but significant changes. Readability was improved by lightening the background and darkening the type. Several annoying bugs were eliminated, in the display of certain pages. The attorney directory update page was quirky and that has been fixed.

A member only access page is in the works. Certain material will be limited to members, who will be able to access the page with a password. That will probably include the Lycoming Reporter, as free access to the Reporter has reduced subscription income.

As always, material for publication involving the activities of our members should be sent to me for publication.
