Law Day Committee Report – 2023 By: Christian Frey, Chair

2023 Theme: Civics, Civility, Collaboration - Cornerstones of Democracy

Students (public, private, or homeschooled) were invited to discuss the need for rebuilding trust in our institutions and respecting one another with either an essay or art project. At a ceremony held on May 12, 2023, five art winners and six essay winners presented their winning Law Day entries to the county court. Judges Anderson, Butts, Tira, and Carlucci attended the ceremony.

One special essay winner won a cash prize of one thousand dollars, which was generously funded by the District Attorney's Office.

Many judges, lawyers, and paralegals came together to create the essay prompts and even more assisted with selecting the winners. Thank You to members: Judge Arbuckle, Judge Carlucci, Judge Dieter, John Pietrovito, Don Martino, Tammy Taylor, Alex Sholley, Jen Linn, Amanda Gaynor, Tim Reitz, and Liz White. I hope that you are willing/able to assist with Law Day again next year.

The winning submissions were posted to the Lycoming Law Day Facebook page and a YouTube video of the entire ceremony is available for view through the LLA website/YouTube channel.

2024 Theme: Voices of Democracy
