

# **2025 Law Day Report**

**By: Christian Frey**

The Lycoming Law Association celebrated Law Day on May 16, 2025, at the Lycoming County Courthouse, continuing its long-standing tradition of promoting civic education and awareness of the legal system. The Law Day 2025 theme was, “The Constitution’s Promise: Out of Many, One.”

The annual LLA Law Day Art and Essay Contest encourages Lycoming County students (public, private, and homeschooled) to explore legal themes through creative expression. In 2025, sixteen students were recognized for their outstanding work, including one Grand Prize winner, who received \$1,000 cash prize sponsored by the District Attorney’s Office. The student winners were honored at the Law Day Ceremony, where LLA members, educators, and local officials applauded their achievements and encouraged continued civic involvement.

LLA members play an active role in organizing and supporting this annual event. The committee creates essay and art prompts, judges contest entries, and assists with ceremony logistics.

Law Day 2025 reinforced the LLA’s dedication to public service and legal education. By celebrating student achievement and facilitating engagement between attorneys and the community, the ceremony highlights the value of understanding legal principles and encourages young people to consider careers in law.

The 2026 Law Day theme (designated by the American Bar Association) is, “The Rule of Law and the American Dream,” focusing on how the rule of law ensures that no person is above the law and enables individuals to live freely and pursue their goals.

The first meeting of the 2026 Law Day Committee will be scheduled for late January or early February, and all members are invited to participate.
