Re: Mock Trial Annual Report for 2025

Current schools involved:

Loyalsock Township High School
Montoursville Area High School
Jersey Shore Area Senior High School

Schools contacted:

Williamsport Area High School
Montgomery Jr/Sr High School
Muncy Jr/Sr High School

The prevailing response I get from teachers is that students are involved in other extra-curricular activities and do not have the time needed to dedicate to mock trial. I believe this is partly why the Montoursville team meets before school.

We are in the process of finding an attorney advisor to take over Montoursville for next year.
