

## **LLA Customs and Rules Committee Meeting**

**July 6, 2022**

### **Agenda**

1. Proposal to rename our "Rules of General Court Business" to "Rules of Judicial Administration" to be consistent with statewide practice.
2. Point of information - changes in the state adoption rules as of 7/1/2022, with significant changes. One that affected our local rules is rule 1.5 which vacated all local rules under chapter XV. That includes our L15.5 and L15.8. They have been removed from the active rules, but we should probably have the court rescind the local rules to conform with the state rule. Judge Butts agrees that we need no replacement local rules.
3. Consider the proposed revisions to local domestic relations rules (attached).
4. Other issues for the good of the order.
