RE: ATTORNEY/CLIENT VISITS AT LYCOMING CO. PRISON

Lycoming County Prison is going to reestablish non-professional visits for all inmates beginning on April 4, 2021. Non-professional visits will be conducted in the evening from 5pm to 10pm in the prison's visitation area.

Due to this change in the prison's daily routine, attorneys will not be able to have in-person visits with their clients through the glass utilizing the inmate visitation area in the evening from 5pm to 10pm.

The prison will continue to allow inmates and legal counsel to have confidential communications in the following ways:

1. Attorneys may contact Lycoming County Prison at 570-326-4623 to arrange a private phone conversation with their client. These phones are also being utilized by the Courts so availability may be limited.
2. Inmates will continue to send and receive legal mail consistent with prison policy.
3. Attorneys may have face-to-face in-person non-contact visits (through the glass) on weekdays prior to 4pm. These visits will not be monitored or recorded.
4. Attorneys may have face to face in person contact visits with clients in one of the prison attorney/client rooms (subject to availability) during regular posted professional visitor hours.
