**Defendant** :

**OPINION IN SUPPORT OF ORDER IN  
COMPLIANCE WITH RULE 1925(a) OF  
THE RULES OF APPELLATE PROCEDURE**

This opinion is written in support of this Court's Judgment of Sentence docketed September 17, 1999. With respect to the defendant's sufficiency and weight of the evidence issue, the reasons for the Court's decision can be found in the Opinion and Order regarding Post Verdict Motions docketed on September 9, 1999. With respect to the defendant's claim that trial counsel was ineffective by failing to investigate and present alibi witnesses, the Court does not have sufficient information regarding the alleged alibi witnesses and their proposed testimony to address this ineffectiveness claim.
