Respondent/Defendant	:	

OPINION AND ORDER

Before this Honorable Court, is the Respondent/Defendant's November 28, 2005 Exceptions filed to the Family Court Hearing Officer's November 4, 2005 Order. He asserts that, the Family Court Hearing Officer committed three errors: (1) the Officer erred when she calculated the Petitioner/Plaintiff's monthly income because she deducted the Petitioner/Plaintiff's health insurance costs, using, the Respondent/Defendant alleges, her estimated not actual health insurance costs; (2) the Officer erred when she calculated the Petitioner/Plaintiff's income because, the Respondent/Defendant alleges, the Petitioner/Plaintiff misrepresented her income at the October 25, 2005 hearing on this matter; and (3) the Officer erred when she failed to deduct the Respondent/Defendant's health insurance costs from his monthly income calculation.

First, the Family Court Hearing Officer did not deduct the Petitioner/Plaintiff's health insurance costs, estimated or actual, when calculating her monthly income; it is not the policy of the Family Court to deduct health insurance costs when calculating either party's income for purposes of determining appropriate support. Therefore, the Respondent/Defendant's first and last exceptions are dismissed, as there is no factual basis to support the allegations contained within.

Lastly, the Respondent/Defendant orally withdrew his second exception at the February 27, 2006 hearing on this matter; therefore, there is no need for the Court to rule on the merits of this exception.

ORDER

AND NOW, this _____ day of February 2006, for the reasons set forth above, it is **ORDERED** and **DIRECTED** that the Respondent/Defendant's Exceptions filed to the Family Court Hearing Officer's November 4, 2005 Order are **DISMISSED**.
