ORDER

AND NOW, this ____ day of January 2008, the Court summarily DENIES the Petition to Strike Judgment filed by Michelle Costagliola on January 3, 2008. Ms. Costagliola can no longer raise the MDJ judgment as a set off or res judicata, because she re-litigated these claims by raising them in her counterclaim and the MDJ judgment was stricken by the Court in its Order docketed December 19, 2007. The arbitrators awarded Ms. Costagliola \$613.00 on her counterclaim. Ms. Kaufman’s judgment has been set off or reduced by this amount.
