AND NOW, this ____ day of August 2008, the Court DENIES Defendant's Petition for Writ of Habeas Corpus found in Count I of Defendant's Omnibus Pre-trial Motion. The testimony presented at the preliminary hearing shows that Defendant solicited and encouraged Ms. Anae to put cocaine in Mr. Reiman's food or drink for the purpose of causing him to have a heart attack. The testimony also establishes that Defendant provided cocaine to Ms. Anae in furtherance of that goal.
