OPINION AND VERDICT

Defendant stands charged with six counts of a possession of a small amount of marijuana with intent to distribute it but not to sell it, or the distribution of a small amount of marijuana but not for sale, in violation of 35 P.S. § 780-113 (31). The specific counts at issue are Counts 2 through 7 of the Criminal Information. These counts relate to the testimony of Nikki Bogart who testified on April 27, 2010 by way of videotape recording (preserved testimony).

Ms. Bogart testified that Defendant provided marijuana to her on numerous occasions each week for approximately four years. Ms. Bogart testified that marijuana was present almost every day that she either worked or visited with Defendant Greg Barto and Co-Defendant Amber Barto. She specifically testified that she smoked marijuana provided by the “Defendants” three or four nights per week during the time in question. The Court finds the testimony of Ms. Bogart to be credible.

Accordingly, the Court finds the Defendant **Guilty** of Counts 2, 3, 4, 5, 6 and 7 of the Information. Sentencing is scheduled for August 10, 2010 at 11:00 a.m. in Courtroom No. 4 of the Lycoming County Courthouse.
