1 It is noted the Court received a notice of appeal on February 23, 2010, purporting to appeal from the initial Order of February 3, 2010, which Order allowed twenty days for further response but proposed dismissal of the motion. The Court did not, however, receive a further notice of appeal from the March 17, 2010, Order. A copy of the docket from Superior Court notified this Court of the instant appeal.
