 : 1925(a) Opinion

**OPINION IN SUPPORT OF ORDER IN  
COMPLIANCE WITH RULE 1925(a) OF  
THE RULES OF APPELLATE PROCEDURE**

This opinion is written in support of this court's order entered on May 9, 2016, which granted the Defendant's motion to suppress evidence. The reasons for the court's decision can be found in the opinion accompanying that order.

The court also notes that the motion was based on a lack of reasonable suspicion which during the hearing defense counsel argued included a lack of reasonable suspicion to seize the Defendant and question him. N.T., at 11. The Commonwealth never objected to this argument or asserted that it was not properly asserted in the written motion.
