

IN THE COURT OF COMMON PLEAS OF LYCOMING COUNTY, PENNSYLVANIA

COMMONWEALTH OF PENNSYLVANIA,	:	
	:	
v.	:	CR-681-2014
	:	CRIMINAL DIVISION
DEMETRIUS WILLIAMS,	:	
Petitioner	:	PCRA

ORDER

AND NOW, this 16th day of March, 2022, having received Petitioner’s motion filed on January 3, 2022, which this Court will treat as his objection to the dismissal of his Post-Conviction Relief Act (PCRA) Petition, and which does not set forth any grounds to delay the disposal of this matter that were not addressed in the Order filed on December 17, 2021, Petitioner’s PCRA petition is hereby **DISMISSED**. Petitioner continues to make unfounded claims of facts unknown to him at the time of trial regarding the lab results of the DNA tests conducted on the sperm sample found in the victim’s underwear. It is apparent that Petitioner’s trial counsel was aware of the DNA test results that became a stipulated matter at trial presented to the jury and that no information was improperly withheld from Petitioner. Nevertheless, Petitioner has not alleged facts that would excuse the untimely filing of his Second PCRA and has not provided sufficient information that would require a PCRA evidentiary hearing.

Petitioner is hereby notified that he has the right to appeal from this order to the Pennsylvania Superior Court. The appeal is initiated by the filing of a Notice of Appeal with the Clerk of Courts at the county courthouse, with notice to the trial judge, the court reporter and the prosecutor. The Notice of Appeal shall be in the form and contents as set forth in Rule 904 of the Rules of Appellate Procedure. The Notice of Appeal shall be filed within thirty (30) days after the entry of the order from which the appeal is taken. Pa. R.A.P. 903.

If the Notice of Appeal is not filed in the Clerk of Courts' office within the thirty (30) day time period, Petitioner may lose forever his right to raise these issues.

By the Court,

Nancy L. Butts, President Judge
