**SUBJECT: Family Law Committee**

---

**The Lycoming Law Committee continues to meet every other month at noon in Courtroom #5 of the Lycoming County Courthouse. The meetings are informal in nature and are designed to provide the opportunity to discuss any relevant matters to the practice of Family Law in Lycoming County. We have discussed many substantive and procedural issues not only with other members of the bar but with the Court and/or other third parties involved in the family court process. This year included presentations by Children & Youth; West Branch Drug & Alcohol and Bill Miele as a family law mediator. The group also discussed the recent changes in the rules and statutes. The meetings are well attended and appeared to be enjoyed by the participants.**

**Respectfully submitted,
